1) Office Visits – By Appointment Only: We will re-open our office on Monday, however, we ask that you limit visits to our office and that you conduct business online when possible. **If you must stop by our office, you will be required to make an appointment first so we can ensure proper social distancing.** We also ask that you

wear a mask or covering over your nose and mouth while visiting our office. Please contact us at 407-251-2200 to make an appointment if needed.

2) Board Meetings: The Board will continue to conduct all business via telephone or video-conference until further notice. If a meeting is called by the Board of Directors, we will provide notice to the homeowners so they also may attend via phone or video-conference.

We will continue to monitor the situation and will provide updates to you as needed. We encourage all of our residents to follow the recommendations from the Center for Disease Control (CDC) and the Florida Department of Health regarding COVID-19 in order to limit the spread of the disease and to keep your family and neighbors safe.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.willowbrookatmeadowwoods.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

New Owner Access Platform

We are thrilled to announce our new online owner access feature where you can login to manage your account and access community documents. With your Internet-enabled device, you will now be able to view your current account balance, check your payment history, view your open records and more!

To ensure your privacy, only homeowners whose email address is on file will receive a registration email. **If you have not already provided your email, please email your information to info@dwdpm.com** and include your community name, address within the community, and the email address you want on file. This extra step is designed for the safety of your personal information because it allows us to verify each homeowner.

Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account.

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email, your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. If you have any questions, please contact the management office.

You may also visit the following website to report the outage: <https://www.duke-energy.com/customer-service/request-light-repair>. Please contact the management office if you need assistance or if you have any questions.

Parking Regulations - No Parking on the Grass

The Board would like to remind all residents regarding the parking regulations for our community. According to the Association's documents in Article VIII, Section 19, **parking on lawns is prohibited**. The Board requests that all residents follow these regulations by parking in your garage or driveway. Thank you for your cooperation and assistance with this matter.

Please Pick-up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities. If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Curbside Collection and Bulk Pick-Up Procedures

Under the Orange County Curbside Collection program, garbage, recycling, and yard waste are each picked up **only one time per week**. The schedule for your community is as follows:

Garbage collection – Tuesday

Yard Waste and Recycling – Wednesday

Per the documents of your community, we are asking that you please do not place these carts outside your home in view from the street on days when you do not have a scheduled pick-up. Please keep them inside your garage, behind your fence, or behind your home. Also, since Christmas Day falls on a Tuesday this year, garbage collection will be on Wednesday next week.

In addition, if you have any large items that need to be picked up that will not fit in the new garbage bin, please contact the County to arrange pick-up. **Do not place bulk items in the street or in your driveway.** You must email or call the county at: Solid.Waste@ocfl.net (include your name, street address, contact information, and the item(s) that you want collected) or call the Solid Waste Hotline at 407-836-6601 to arrange for pickup. Large items include furniture, appliances, mattresses, automobile tires (limit 4), and rear-projection televisions. Limit large items to three cubic yards (about one small pickup truckload) per household per week.

If you have any questions or concerns regarding this new garbage collection program, please contact the Orange County Solid Waste Department. You may reach them by email at Solid.Waste@ocfl.net or by phone at 407-836-6601.

Alligator Warning

Please remember this is Florida, and alligators will almost always be present in any body of water. Therefore, please always be aware of your surroundings and do not leave children or pets unattended near the water's edge. Also, please be aware that it is against the law to feed alligators. Feeding alligators reduces their fear of humans, and this may have serious consequences for the people they encounter who do not bring them food. If you see alligators in the area, you may report them to the Florida Fish and Wildlife Conservation Commission at the following number: 866-392-4286. You may also report alligator sightings to the management company so they may contact Florida Fish and Wildlife and provide authorization for the trapper to enter the property. If you have any questions or concerns, please call the management company.

Please Secure Valuable Items

Please make sure your cars are locked at night, and that all valuables that do not have to be in your car are removed on a nightly basis. If you notice anyone suspicious within the community, please call the Orange County Sheriff's Department at (407) 836-4357. Thank you.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is now patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation, please call DWD Professional Management to address these concerns. Thank you.

Architectural Change Procedure

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screened enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

Please be aware that the Board has established the following architectural guidelines for your community:

Approved Paint Color Schemes:

The Willowbrook at Meadow Woods community has several approved color schemes for painting your homes for your review on the community website. Please use the following link to view these options:

<http://www.willowbrookatmeadowwoods.com/architectural-change-request.html>.

These applications will always be available on your community's website and they are included in this monthly newsletter. Please follow the instructions on the form, and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you.

Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Driveway Maintenance and Tree Trimming

The Board would like to remind residents that driveways should be pressure washed and maintained to ensure they are free of debris, dirt, and oil. Please also pressure wash the sidewalks in front of your home.

In addition, the Board would like to remind all residents to trim their trees and remove all dead branches. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm. Also, tree branches should be trimmed up to 6 feet so that pedestrians may walk underneath the trees unimpeded on the sidewalks within the community. If you have any questions or concerns regarding these issues, please contact the management office.

Starting in late 2020, the Central Florida Expressway Authority (CFX) will begin work to widen SR 417 (Central Florida GreeneWay) from International Drive to SR 528 (Martin B. Andersen Beachline). This work is being done to meet the demands of population growth and improve traffic flow on one of CFX's busiest expressways. Work will be broken into five phases to minimize impact to motorists.

Central Florida is growing rapidly and so is the traffic on our roadways. In just the past five years, the number of vehicles on CFX roads has more than doubled. Traffic is expected to grow as more than 1,500 people move to Central Florida each week. A recent study by the Orlando Economic Partnership advises Osceola and Orange counties will be the fastest growing in Florida, with nearly a 30-percent rise in population.

According to CFX's 2018 numbers, the average daily traffic count on SR 417 between International Drive and SR 528 ranges from more to 68,000 to nearly 95,000 depending on the location. Orange County officials report the average person spends 46 hours a year in traffic! To reduce that commute time, CFX will widen SR 417 between International Drive and State Road 528 from two lanes to three lanes in each direction (six lanes total). The widenings consist of five separate projects:

- SR 417 from International Drive to John Young Parkway
- SR 417 from John Young Parkway to Landstar Boulevard
- SR 417 from Landstar Boulevard to Boggy Creek Road
- SR 417 from Boggy Creek Road to Narcoossee Road
- SR 417 from Narcoossee Road to SR 528

The widening projects include:

- Additional Prepaid Toll Lanes (dedicated E-PASS lanes) in each direction at the John Young Main Plaza and the Boggy Creek Main Plaza;
- Sound walls along several locations of the expressway; and wider "incident management" shoulders.

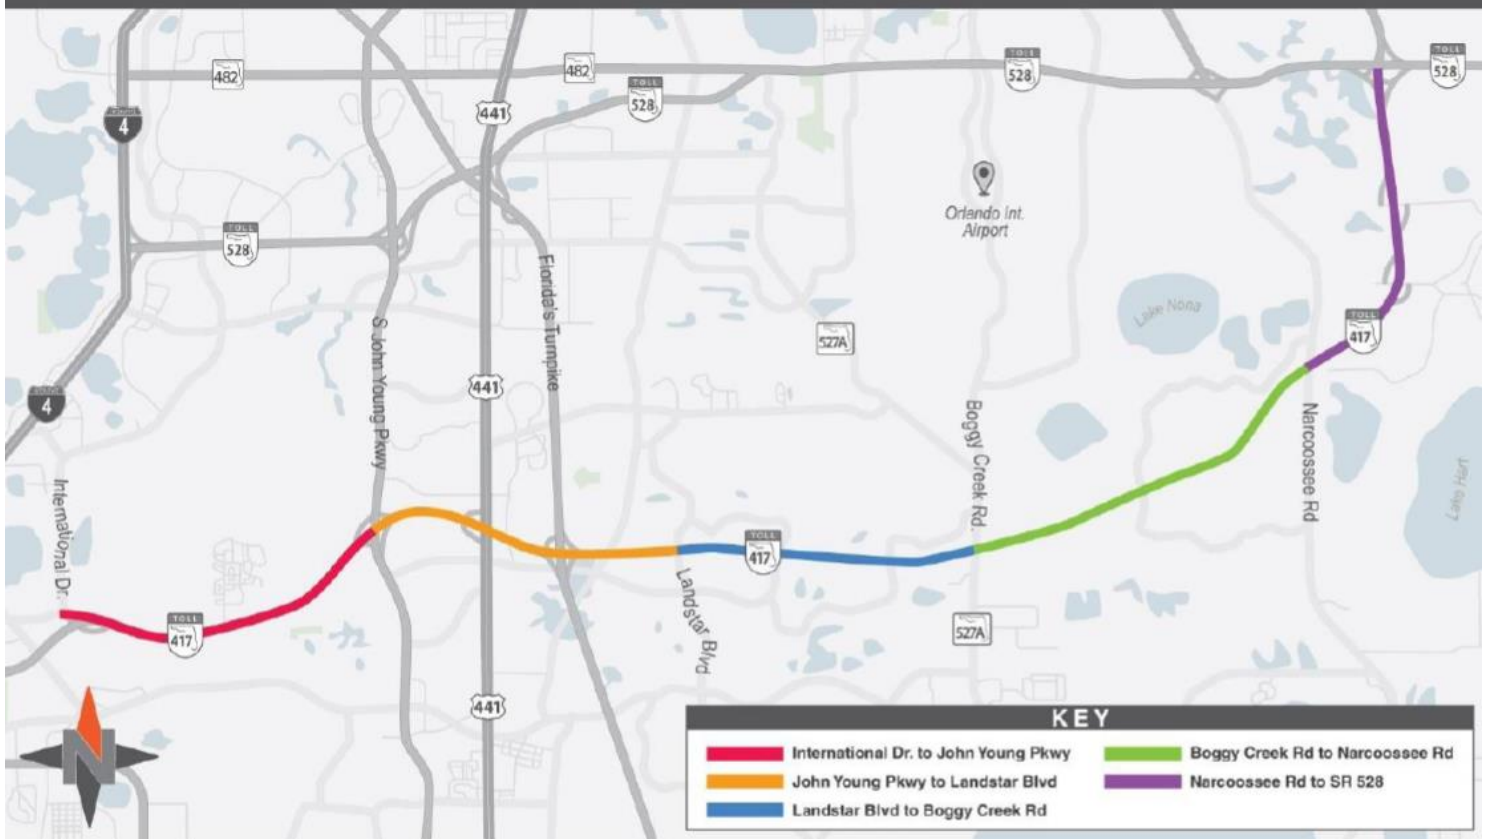

Construction on the first segment will start in late 2020 and will take approximately four years before all five projects are complete.
