

Willowbrook at Meadow Woods

APRIL 2018 NEWSLETTER

Reminder to Water Your Grass

We would like to remind everyone to water their grass per the Orange County schedule in order to keep your lawns looking as healthy and green as possible.

Please note that grass should be watered **before 10 AM** or **after 4 PM** on your specific watering days per the water restrictions in Orange County. Please see your specific watering days below:

Homes with odd-numbered addresses: Wednesday and Saturday.

Homes with even-numbered addresses: Thursday and Sunday.

Thank you for your cooperation in this matter.

Speeding in the Community - Stop Signs

It has been observed that residents and visitors are driving way too fast within the community. Please follow the posted speed limit in the community as there are many children playing throughout the neighborhood. For their safety, and the safety of all residents, please keep your speed at or below the posted speed limit. **Also, please come to a full and complete stop at all stop signs.** We greatly appreciate your cooperation with this important safety issue.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.willowbrookatmeadowwoods.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Clothes Dryer Vent Safety

Please remember the following safety tips regarding your clothes dryer vent. It is important to complete routine maintenance and follow safety procedures.

FOCUS
ON FIRE SAFETY

Clothes Dryer Fire Safety

Failure to clean often leads to home clothes dryer fires!

Follow these simple safety tips to prevent a clothes dryer fire in your home!

- Have your dryer installed and serviced by a professional.
- Do not use the dryer without a lint filter. Clean the lint filter before and after each cycle.
- Do not forget to clean the back of the dryer where lint can build up.
- Check the venting system behind the dryer to make sure that it is not damaged, crushed or restricted.
- Make sure that the outdoor vent covering opens when the dryer is operating.

Suspicious Activity

If you see people walking through the neighborhood looking into vehicles, looking into the windows of a home, trying to force open a door, or any other suspicious or illegal activities, please call the Orange County Sheriff's Department at (407) 836-4357. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.** Thank you.

Bulk Pick-Up Changes

On January 1, 2018, Orange County made changes to the bulk pick-up requirements. The County will now provide this service on a weekly basis without the need for an appointment. The day for bulk pick-up in our community is the same as for yard waste collection – Wednesday.

Per the County, please separate the bulk items from your normal yard waste. Also, please limit the bulk pick-up to 3 cubic yards and do not place the items in plastic bags as the garbage collectors will need to see the items they are picking up for collection. Finally, place the items at the curb no earlier than 6 PM the night before collection on Tuesdays and no later than 6 AM on the collection day on Wednesdays.

Please visit the following website to verify large items available for pick-up: www.ocfl.net/GreenClean.

Please Pick-up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).

- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Roofs with mold or broken/missing shingles
- 8) Parking on the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Architectural Changes (Exterior Modifications)

The Board of Directors is aware that several owners will need to repair and/or replace their roofs or make other architectural changes due to damages sustained during Hurricane Irma. **However, all changes must still first be approved by Willowbrook at Meadow Woods Architectural Review Committee (ARC).** The ARC application form is included with this newsletter and may also be found on the Willowbrook at Meadow Woods website, www.willowbrookatmeadowwoods.com. Please fill out and return the form to the management office at your earliest convenience. Please include the survey of your property and/or samples of the proposed change as requested on the application (i.e., a fence installation requires a property survey and replacing the roof requires shingle samples). The Architectural Review Committee will expedite these applications if the exterior changes required are due to hurricane damage. If you have any questions or concerns regarding this process, please call or email the management office at 407-251-2200 or info@dwpdm.com.
