

Willowbrook at Meadow Woods

APRIL 2024 NEWSLETTER

Reminder - 2nd Quarter Assessment

Please remember your 2nd quarter assessment for 2024 was due on Monday, April 1st. The new assessment amount is \$100.00 per quarter. Late fees in the amount of \$10.00 were applied for any payments received after April 10th. If you have not made your payment for the second quarter, please do so as soon as possible.

If you have any questions about your balance or the assessments, please view your ledger on the community's online portal or contact the management office so they may assist you.

Graduating Class of 2024

Congratulations to the Graduating Class of 2024! We wish all students graduating in May or June great success in your future endeavors!

Congratulations!

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.willowbrookatmeadowwoods.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Director: James Steele

DWD Management Office Closed on Monday, May 27, 2024

The offices for DWD Professional Management will be closed on **Monday, May 27, 2024** in observance of the Memorial Day holiday. We wish everyone a happy and safe Memorial Day weekend.

2024 Budget Requests

If you are interested in obtaining the 2024 Budget for your community, please feel free to review the document on the community portal. You may also review the approved budget on the community website using the following link:

[2024 Approved Budget](#)

Tax Information 2023

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2023, and a copy is available for your review. The Statement of Cash Flow for 2023 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at info@dwdpm.com to make your request.

Upgraded Owner Access Platform - Enumerate Portal

We are pleased to announce that the owner online platform has been upgraded and we have sent you an invitation email to join the new platform to the email address on file with our office. This new platform will replace the previous online portal and will provide you with additional features and information. With your

Internet-enabled device, you will be able to view your current account balance, check your payment history, view your open records (violations, work orders, and service requests), view announcements and alerts for the community, link multiple properties under the same login, and more!

To ensure your privacy, only homeowners whose email address is on file have received a registration email. If you have not provided your email, please send your information to info@dwdpm.com and include your community's name and property address within the community. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account. The link to the new portal is as follows:

[Portal - Login \(goenumerate.com\)](https://goenumerate.com)

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform in order to review your property account and obtain community information.

Architectural Change Procedure and Approved Color Schemes

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screened enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

Please be aware that the Board has established the following architectural guidelines for your community:

Approved Paint Color Schemes:

The Willowbrook at Meadow Woods community has several approved color schemes for painting your homes for your review on the community website. Please use the following link to view these options:

<http://willowbrookatmeadowwoods.weebly.com/architectural-change-request.html>.

The Board also reviewed architectural guidelines for the community at their last meeting in 2023. The Board made the following decisions related to exterior painting and driveways:

1. The approved trim colors may be used across all color schemes. Therefore, if you would like to use a body color from one color scheme, you may use a trim color from a different scheme.
2. Driveway extensions may not go beyond two feet on either side of the driveway and they may not extend past the garage on either side.

These applications will always be available on your community's website and they are included in this monthly newsletter. Please follow the instructions on the form, and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed change, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you.

Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Monthly Property Inspections and Notifications

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a partial list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.)
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house
- 3) Roofs that need pressure washing
- 4) Fences in need of cleaning and/or repair
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Garbage cans visible from the streets
- 8) Roofs with mold or broken/missing shingles
- 9) Parking on the grass
- 10) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a

hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Please Pick-up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the “parent” and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities. If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others.

It is also extremely important that your dog is on a leash for the protection of other animals and for the protection of people (especially children) who may encounter your pet within the community. Keeping your dog on a leash is also a protection for your pet since it safeguards them from dangerous situations. If you see a dog unattended within the community, please notify **Orange County Animal Control** at the following number: **407-836-3111**. Thank you for your understanding and cooperation in this matter.

Parking Regulations – No Parking on the Grass

The Board would like to remind all residents regarding the parking regulations for our community. According to the Association’s documents in Article VIII, Section 19, **parking on lawns is prohibited**. The Board requests that all residents follow these regulations by parking in your garage or driveway. Thank you for your cooperation and assistance with this matter.

Reporting Street Light Outages

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage:

<https://www.duke-energy.com/customer-service/request-light-repair>. Please contact the management office if you need assistance or if you have any questions.

Curbside Collection and Bulk Pick-Up Procedures

Under the Orange County Curbside Collection program, garbage, recycling, and yard waste are each picked up **only one time per week**. The schedule for your community is as follows:

Garbage collection – Tuesday

Yard Waste and Recycling – Wednesday

Per the documents of your community, we are asking that you please do not place these carts outside your home in view from the street on days when you do not have a scheduled pick-up. Please keep them inside your garage, behind your fence, or behind your home.

In addition, if you have any large items that need to be picked up that will not fit in the new garbage bin, please contact the County to arrange pick-up. ***Do not place bulk items in the street or in your driveway.*** You must email or call the county at: Solid.Waste@ocfl.net (include your name, street address, contact information, and the item(s) that you want collected) or call the Solid Waste Hotline at 407-836-6601 to arrange for pickup. Large items include furniture, appliances, mattresses, automobile tires (limit 4), and rear-projection televisions. Limit large items to three cubic yards (about one small pickup truckload) per household per week.

If you have any questions or concerns regarding the garbage collection program, please contact the Orange County Solid Waste Department. You may reach them by email at Solid.Waste@ocfl.net or by phone at 407-836-6601.

Alligator Warning

Please remember this is Florida, and alligators will almost always be present in any body of water. Therefore, please always be aware of your surroundings and do not leave children or pets unattended near the water's edge. Also, please be aware that it is against the law to feed alligators. Feeding alligators reduces their fear of humans, and this may have serious consequences for the people they encounter who do not bring them food. If you see alligators in the area, you may report them to the Florida Fish and Wildlife Conservation Commission at the following number: 866-392-4286. You may also report alligator sightings to the management company so they may contact Florida Fish and Wildlife and provide authorization for the trapper to enter the property. If you have any questions or concerns, please call the management company.

Please Secure Valuable Items

Please make sure your cars are locked at night, and that all valuables that do not have to be in your car are removed on a nightly basis. We have received recent reports of car break-ins within the area. If you notice anyone suspicious within the community, please call the Orange County Sheriff's Department at (407) 836-4357. Thank you.

Driveway Maintenance and Tree Trimming

The Board would like to remind residents that driveways should be pressure washed and maintained to ensure they are free of debris, dirt, and oil. Please also pressure wash the sidewalks in front of your home. In addition, the Board would like to remind all residents to trim their trees and remove all dead branches. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm. Also, tree branches should be trimmed up to 6 feet so that pedestrians may walk underneath the trees unimpeded on the sidewalks within the community. If you have any questions or concerns regarding these issues, please contact the management office.
