

# *Willowbrook at Meadow Woods*

## ***MAY 2018 NEWSLETTER***

### ***Tree Trimming Reminder - Hurricane Season***

We would like to remind all residents to trim their trees and remove all dead branches before the onset of the 2018 hurricane season beginning on June 1<sup>st</sup>. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm.

### ***Wild Animals***

Please note that many animals call the woods surrounding Willowbrook home. There are many animals such as birds, rabbits, squirrels and even deer that are harmless and are wonderful to have around the community.

However, on occasion other animals like poisonous snakes or alligators may be spotted from time to time. If you are concerned about a nuisance alligator, please call Florida Fish and Wildlife at 866-FWC-GATOR (866-392-4286).

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, [www.willowbrookatmeadowwoods.com](http://www.willowbrookatmeadowwoods.com). Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

### **Board of Directors**

**President:** Jose Diaz

**Treasurer:** James Steele

**Secretary:** Chris Wardwell

## *Accident on Rhode Island Woods Circle*

---

You may have noticed a large section of the community wall that is down along Rhode Island Woods Circle. An accident occurred over the Memorial Day weekend when a driver hit and damaged the wall. We are in contact with the insurance companies involved and hope to have a quick resolution. Please have patience as we work through this process. We will keep you updated on the progress. If you have any questions or concerns, please feel free to contact the management office.

## *Please Pick-up After Your Pets*

---

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

## *Monthly Property Inspections*

---

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Roofs with mold or broken/missing shingles
- 8) Parking on the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

### *Architectural Changes (Exterior Modifications)*

---

The Board of Directors is aware that several owners will need to repair and/or replace their roofs or make other architectural changes due to damages sustained during Hurricane Irma. **However, all changes must still first be approved by Willowbrook at Meadow Woods Architectural Review Committee (ARC).** The ARC application form is included with this newsletter and may also be found on the Willowbrook at Meadow Woods website, [www.willowbrookatmeadowwoods.com](http://www.willowbrookatmeadowwoods.com). Please fill out and return the form to the management office at your earliest convenience. Please include the survey of your property and/or samples of the proposed change as requested on the application (i.e., a fence installation requires a property survey and replacing the roof requires shingle samples). The Architectural Review Committee will expedite these applications if the exterior changes required are due to hurricane damage. If you have any questions or concerns regarding this process, please call or email the management office at 407-251-2200 or [info@dwpsdm.com](mailto:info@dwpsdm.com).
