

Willowbrook at Meadow Woods

MAY 2019 NEWSLETTER

Vehicle Break-Ins

There has been a recent increase in the number of car break-ins in the Meadow Woods area. Therefore, we urge everyone to be alert and report any suspicious activity to the Orange County Sheriff's Department at (407) 836-4357-

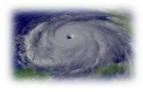

Reporting suspicious activity will help the community. We want our community to be a safe and peaceful place, but it will take a group effort to make this happen.

Please take preventative measures by making sure that you lock your vehicles and that you do not leave any valuables in your car overnight. The vast majority of break-ins involve vehicles that are unlocked. If you have any questions or concerns, please contact the management office.

Hurricane Season

Hurricane season begins on June 1st and continues through the end of November. The National Oceanic and Atmospheric Administration predicts between 9 to 15 named storms this year. Therefore, please take the time now to prepare your home and your family for hurricane season. Please see the pages below for additional information about hurricane preparedness provided by HIG Insurance.

We also ask you to take this time to trim your trees and remove all dead branches. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm this season.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website,

www.willowbrookatmeadowwoods.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

THURRICANE PREPAREDNESS PLAN

FIRST AID

Your First Aid Kit

A first aid kit should be kept in the home and each automobile and should include:

☐ Sterile adhesive bandages
□ Sterile gauze pads
☐ Hypoallergenic adhesive tape
□ Triangular bandages (3)
☐ Sterile roller bandages, antibiotic ointment, scissors, tweezers, needle, moistened towelettes, antiseptic, thermometer, tongue blades (2)
□ Tube of petroleum jelly or other lubricant
☐ Assorted sizes of safety pins
□ Cleansing agent/soap
□ Latex gloves (2 pairs)
□ Sunscreen
□ Bug repellent
☐ Aspirin or non-aspirin pain reliever, anti-diarrhea medication, antacid
☐ Bottled water and other fluids

Hurricane Family Preparedness

☐ Hold a family meeting
□ Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
□ Discuss whether you'll need to evacuate
□ Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
☐ Ensure your assets are protected
□ Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
☐ Assess your home for vulnerable areas
□ Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
☐ Make a plan to protect your vehicles
□ Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
□ Secure your home
□ Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
☐ Discuss whether anyone in your home is elderly or has special needs and, if so, make

HURRICANE PREPAREDNESS PLAN

Hurricane Family Preparedness

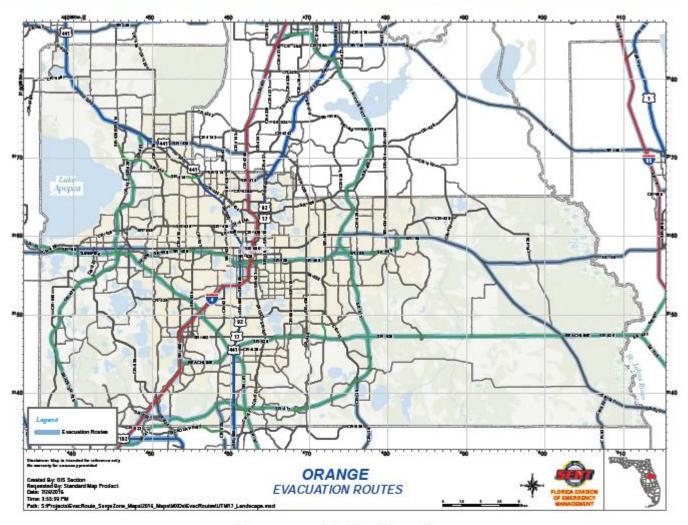

have to evacuate. If appropriate, plan for large animals such as horses
Gather your supplies
Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
Notify others of your plan
Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
All of your loved ones should agree to call the out-of town contact to report their whereabouts and welfare
Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
When telephone lines are busy, e-mails or text messages may go through when calls cannot
Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items

□ Dotarming how you will address your not's needs and make a plan for your not in case you

Orange County Evacuation Zones

Emergency Shelter Locations

Reminder to Water Grass

We would like to remind everyone to water their grass per the Orange County schedule in order to keep your lawns looking as healthy and green as possible.

Please note that grass should be watered <u>before 10 AM or after 4 PM</u> on your specific watering days per the water restrictions in Orange County. Please see your specific watering days below:

Homes with odd-numbered addresses: Wednesday and Saturday.

Homes with even-numbered addresses: Thursday and Sunday.

Thank you for your cooperation in this matter.

Tax Information

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2018, and a copy is available for your review. The Statement of Cash Flow for 2018 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at info@dwdpm.com to make your request.

Also, please be aware that the approved 2019 budget for the Association is available on the website, www.willowbrookatmeadowwoods.com.

Curbside Collection

Under the Orange County Curbside Collection program, garbage, recycling, yard waste, and bulk items are each picked up **only one time per week**. The schedule for your community is as follows:

Garbage collection – Tuesday

Yard Waste, Recycling, and Bulk Items – Wednesday*

Per the documents of your community, we are asking that you please do not place your items outside your home in view from the street on days when you do not have a scheduled pick-up. Please keep them inside your garage, behind your fence, or behind your home.

If you have any questions or concerns regarding the garbage collection program, please contact the Orange County Solid Waste Department. You may reach them by email at Solid.Waste@ocfl.net or by phone at 407-836-6601.

Parking Regulations - No Parking on the Grass/Street Parking

The Board would like to remind all residents regarding the parking regulations for our community. According to the Association's documents in Article VIII, Section 19, <u>parking on lawns is prohibited</u>. In addition, the Board has noticed that residents are parking on both sides of the street making it difficult for other cars to pass through. Therefore, the Board requests that all residents follow the regulations by parking in your garage or driveway. Thank you for your cooperation and assistance with this matter.

Noise Complaints

Please be aware that Orange County Sheriff's Department does not have any set time for enforcing the noise violation ordinance. According to our local deputy, the Disturbance of the Peace Statute is enforceable any time of day. If you feel that your neighbors are violating the noise ordinance, please contact the Orange County Sheriff's Department to file a complaint at 407-836-4357. The Sheriff's Department will then send a deputy to request the responsible party to tone down their gathering. If a second request is made concerning the same disturbance, the Sheriff's Department will take the necessary actions to ensure your neighbors follow the noise ordinance.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is now patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation, please call DWD Professional Management to address these concerns. Thank you.

Architectural Change Procedure

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screened enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in this monthly newsletter. Please follow the instructions on the form, and submit all of the required documents for your requested change. When you are submitting an application to the ARC remember to include the following:

- 1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
- 2. Two (2) drawings of your plan(s).

3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you.

Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Reporting Street Light Outages

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage: https://www.duke-energy.com/customer-service/request-light-repair. Please contact the management office if you need assistance or if you have any questions.

Driveway Maintenance and Tree Trimming

The Board would like to remind residents that driveways should be pressure washed and maintained to ensure they are free of debris, dirt, and oil. Please also pressure wash the sidewalks in front of your home.

In addition, the Board would like to remind all residents to trim their trees and remove all dead branches. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm. Also, tree branches should be trimmed up to 6 feet so that pedestrians may walk underneath the trees unimpeded on the sidewalks within the community. If you have any questions or concerns regarding these issues, please contact the management office.

Please Pick-up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities. If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet.

When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to repaint the house.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Roofs with mold or broken/missing shingles
- 8) Parking on the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Alligator Warning

Please remember this is Florida, and alligators will almost always be present in any body of water. Therefore, please always be aware of your surroundings and do not leave children or pets unattended near the water's edge. Also, please be aware that it is against the law to feed alligators. Feeding alligators reduces their fear of humans, and this may have serious consequences for the people they encounter who do not bring them food. If you see alligators in the area, you may report them to the Florida Fish and Wildlife Conservation Commission at the following number: 866-392-4286. You may also report alligator sightings to the management company so they may contact Florida Fish and Wildlife and provide authorization for the trapper to enter the property. If you have any questions or concerns, please call the management company.
